Most events are open both to members and to non-members of Coventry & North Warwickshire Bridge Club. Visitors are entitled to participate in club events and on club nights. They are limited to 12 visits over a twelve-month period.

Key: Club events; Team Leagues; Warwickshire; External; Committee; Tentative/TBD.

Revised 26th July 2024

Description of Club Events

Anglo-Polish Trophy
Handicap teams competition, held on the first Tuesday of each month from September to April inclusive. Ranking points for each session are awarded to the top eight teams in a section, on the scale 10:8:6:5:4:3:2:1. For the final two sessions there will be a draw for team-mates, random save for the proviso that pairs who are in contention for a prize will not be drawn together. The final ranking is calculated on the basis of each pair's best 5 scores.

Griffins Trophy
This takes place over the summer period 7/8 sessions. It takes place on alternate Thursday evenings. It is a handicapped teams event. Pairs must come as a 'team' of 4. However, the pairs are randomly selected from a draw to play as a team on the night. The teams are award a score according to their position on the night. (Griffin Points) If you miss a session it doesn't matter you simply receive a score of zero for the night. Substitute players are allowed but they constitute a new pair. Each pair's 5 best scores over the competition count towards their final score. At the end of the series the pair with the most Griffin points are the winners.
Non-handicapped scores are NGS-ed and eligible for EBU master points.

Three Spires Trophy
A light-hearted teams evening with a cooked supper, running from September to April, and staged (usually) on the third Sunday of the month. There is a random draw for team-mates, with the proviso that no two pairs can be drawn together as team-mates more than once. Scoring is done via a hybrid method involving ranking points and victory points, and the final ranking is calculated on the basis of each pair's best 5 scores. The supper is considered an integral part of the event, and players are requested to attend this. Supper served at 5.45 pm, play to start at 6.45 pm.

Coventry Pairs League (CPL)
A Pairs' competition usually held on the fourth Thursday of the month which runs from September through to June. Pairs are in divisions of six, eight or ten pairs, and play either a double or triple round-robin of 9 or 10 board matches over the five sessions that comprise each series. Each pair will IMP with two, three or four other pairs (depending on division size) for each match. At the end of each series there is promotion and relegation between divisions.

Pete Morris Trophy
A pairs' event held in September. Novices are paired at random with an experienced player (in effect, a "pro-am").

Charity Trophy event
Duplicate Pairs event in aid of a charity, normally held on a Sunday in April. This year the charity will be in aid of ….
