Math 7 Plus
With Ms.Erickson

Course Description:

In this course, students will receive extra time and opportunities to practice what they are learning in math class. We will focus on pre-requisite skills and extensions of what they learn in their Math 7 course such as connections to the real world. I believe that every student CAN and SHOULD become confident in math!

Materials:

- ❖ Pencils
- ❖ Binder or folder used only for Math
- ❖ Chromebooks
- ❖ Performance Coach book (provided)

Classroom expectations:

- ❖ One rule: RESPECT yourself, classmates, room, and teachers.
- ❖ Arrive on time and prepared with daily materials
- ❖ Enter class by putting your phone away and quietly starting your "Do Now"

Try your best and give yourself grace

Grading Policy:

Homework……15%

- Extensions of lessons, extra practice (expect one per week)

Classwork…… 35%

- Notes, activities, individual practice, participation

Assessments…… 50%

- Tests, quizzes, final projects, graded classwork

***If assignments are missed due to an excused absence, students will have 2 days to make them up before receiving partial credit. They can find missed work on Google Classroom or the Absent Folder in 215.

***Any assignments submitted late will lose 10% for every day after the due date. For example, a homework that is 3 days late can only earn a 70% score. After 5 days the maximum is a 50%

Communication:

All important due dates and reminders will be posted on google classroom. Grades are updated weekly and are visible 24/7 on Realtime. It is the students' responsibility to check their grades and stay on top of assignments. Please reach out with any questions to my email: jerickso@weehawken.k12.nj.us
