Main building:

Tent

This land has 2 levels: the Buccaneer Trail and Libertalia.

WALKTHROUGH:

1. Follow the footsteps

Set out for the Buccaneer Trail.

2. Dangerous trails

Find and destroy the Wolf Pits in the Buccaneer Trail location.

There are 2 traps you need to destroy. Use 10 Board for each.

There will be more traps like that in the location (not a part of this quest).

3. Unbounded fire

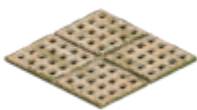

Find the Fire Trap in the Buccaneer Trail location.
Find and collect Sandbags.
Destroy the Fire Trap.

Collect 8 Sandbags and apply them to the Fire Trap to destroy it.

4. Looking for dangers

Find the Spike Trap in the Buccaneer Trail location.

5. Living stones

Activate the White Statue in the Buccaneer Trail location.
Activate the Black Statue.
Destroy the Spike Trap.

To activate the statues, you'll need to push the levers: 4 white levers for the White Statue, 4 black levers for the Black Statue.

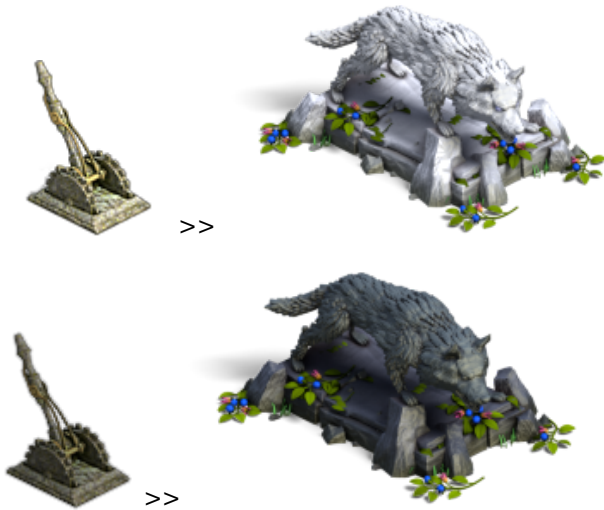

Each lever is guarded by a wolf, 40 XP.

Loud Bullets cannot be made on the land.

They can be made at Lewis' Workshop at Wallmond , the Submarine at Amber, John's House at Utopia, Gold Rush & Sol.

Each lever requires 5 Sequoia Logs.

Then, activate each statue with 9 Wires.
After the statues are activated, destroy the trap with 20 stones.

6. Is this the last barrier?

Find and open the Rogue Gates in the Buccaneer Trail location.

To open the gates, you need to place the 4 pirate statues correctly.
By the place where a statue should be placed, you'll find a text hint:

An old captain who left a part of himself in battle.

A rebellious daughter of the sea.
A noisy companion with a long tail.

A bearded hat lover.

When the statues are placed correctly, open the gates with 10 Clay.

7. Per aspera

Find the way to Libertalia in the Buccaneer Trail location.

Find a passage to the second part of the location:

8. The feast

Find and collect Raw Honey in the Buccaneer Trail location.

Treat the Bears to some Raw Honey.

The passage is guarded by 2 Bears.

Collect Raw Honey from the Barrels. There are 5 barrels, each gives 2 honey.

Each bear wants 5 honey.

9. The passage

Go to Libertalia.

10. The legend

Find the city in Libertalia.

Find the city and its Mayor.

11. Repairs

Restore the Towers in Libertalia.

Turn on the Fountain.

Mayor asks you to restore the city towers. There are 4 towers, each requires 15 Bricks + 10 Slates + 10 Saws.

Then, fix the city fountain.

Repair 2 fountain Pipes with 5 Triple Hooks + 5 Tiles + 5 Pipes for each.

Then, turn on the Fountain with 9 Wires.

12.View from above

Get to the eagle glade in Libertalia.

You'll find the Mistress of eagles.

13.Treat

Find and collect Fishing Tackle in Libertalia.

Catch some Pike.

Lure the Eagles.

Help the Mistress of eagles bring her birds back. Collect 8 units of the Fishing Tackle from the boxes:

Use the Fishing Tackle in the Pike Pond. 2 units of Tackle will bring you 1 Pike in 5 minutes (repeat 4 times).

Find 4 Eagle Perches and apply 1 Pike to each to lure the eagles.

14.Contemplations

Find Jack in Libertalia.

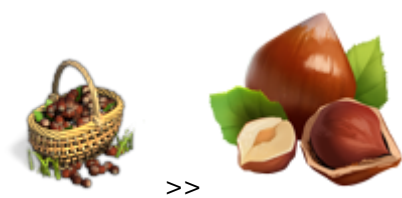

Jack is a local historian. His pet parrot flew away, scared by the eagles. Help Jack bring Diego the parrot back.

15.Comeback

Find and collect Hazelnuts in Libertalia.

Lure Diego using Hazelnuts.

Collect Hazelnuts from the baskets. There are 8 baskets, each gives 5 Hazelnuts.

Apply 40 Hazelnuts to Diego’s Perch and the parrot will come back.

16. Descent

Find the monster in Libertalia.

It’s a cute harmless Kraken :3
Its tentacles are in chains :(

17.Freeing the captive

Find and collect the Keys to Chains in Libertalia.
Release the Kraken's tentacles.

Find 3 boxes, each gives 1 Key to Chains.

Then, free the Kraken.

18.A find

Find Pitaya Trees in Libertalia.
Harvest Pitayas.
Feed the Kraken.

There are 4 Pitaya Trees in Libertalia and 2 Processing Tables.

One Pitaya Tree gives 50 Pitayas in 30 minutes.
You can water a processed tree (10 water) and continue processing.
To feed the Kraken you need 200 Pitayas.

Collect more fruit and bring them to the Market Stall in Libertalia (2nd land).
