

FALL 2025 OFFICE HOURS: Prof. Julie Peters: [email](#); [link for Zoom appointment](#)!

My fall 2025 office hours are **Mondays 9:30-10:30am by Zoom**, and **Thursdays 4:45-6:45pm in-person in 401b Philosophy Hall**. On a few occasions, I've had to vary these times: see below! I've made time slots short (15 min) to accommodate those who want to meet only briefly. But please don't hesitate to sign up for as many slots as you need! If you need to meet me by Zoom during the Thursday in-person hours, please put "(Zoom)" next to your name. If none of the available times work for you, email me to propose times you are available (please include all available times and let me know how much time you'd like)!
