The KESD School Board would like to take this opportunity, during Educator Appreciation week, to say "thank you!" to each of you, for being the exceptional educators that you are. Day in and day out, you provide our students with the knowledge and skills they need to navigate and succeed in our communities. You do so with patience, humor, compassion, and commitment. Being an educator is hard work. It requires dedication and a willingness to go above and beyond so that our children are provided with the myriad of opportunities they need in order to learn, grow, and develop into adulthood. Please know that we appreciate all that you do. Thank you!
