

Terms of Use

When you download or use our app Air Tracker, Device Finder by Adriana Jansson, these terms of Use automatically apply to you, so make sure you read them carefully before using any of our apps.

You are not allowed to copy or modify the App, any part of them, or our trademarks in any way. You may not attempt to extract the source code of the App, and you may not attempt to translate the Apps into other languages or create derivative versions. The application itself and all related trademarks, copyrights, database rights and other intellectual property rights remain the property of Adriana Jansson.

Adriana Jansson strives to make the applications as useful and effective as possible. For this reason, we reserve the right to make changes to the application or charge for their services at any time and for any reason. We will never charge you for the App or their services without making it clear to you what exactly you are paying for.

The App store and process the personal information you provide to us in order to provide our Service. You are responsible for the security of your phone and access to the App. Therefore, we recommend that you do not Jailbreak or root access your phone, which is the process of removing software restrictions and limitations imposed by your device's official operating system. This can make your phone vulnerable to viruses/malware, compromise your phone's security features, and may cause the App to not work properly or not work at all.

The applications use third-party services that state their own terms and conditions. Link to Terms of Use of third-party service providers used by the app:

- AppsFlyer Privacy Policy
- Apple Privacy policy

You should be aware that there are certain things that Adriana Jansson is not responsible for. Some features of the App will require them to have an active Internet connection. The connection may be over Wi-Fi or provided by your carrier, but Adriana Jansson cannot be responsible for the App not working to its full potential if you do not have access to Wi-Fi or if you run out of data limit.

If you use the App outside of an area with Wi-Fi, you must remember that your terms of agreement with your service provider will still apply. As a result, your mobile carrier may charge you a data connection time fee when you access the App or other third-party fees. When you use the App, you assume responsibility for any such charges, including roaming data charges, if you use the App outside your home territory (i.e., region or country) without disabling roaming data transmission. If you are not the bill payer for the device on which you use the App, please be aware that we assume you have received permission from the bill payer to use the App.

Also Adriana Jansson can not always be responsible for how you use the applications, i.e. you need to make sure that your device remains charged - if it runs out of battery and you can not

turn it on to use the Service, Adriana Jansson can not take responsibility for it. As for Adriana Jansson responsibility for your use of the applications, when you use the applications, it is important to remember that while we strive to ensure that it is always updated and correct, we rely on third parties to provide us with the information so that we can make it available to you. Adriana Jansson is not responsible for any loss, direct or indirect, which you incur as a result of relying entirely on this application functionality. At some point we may want to update the App. The App are currently available for iOS - system requirements (and any additional systems we choose to extend the App' availability to) may change, and you will need to download updates if you want to continue using the App.

Adriana Jansson does not promise that it will always update the App to meet your requirements and/or work with the version of iOS installed on your device. However, you do promise to always accept apps' updates when they are offered to you. We may also stop providing updates to the App, and may discontinue use of the App at any time without notifying you of the discontinuation. Unless we notify you otherwise, when we terminate the application:

- (a) the rights and licenses granted to you under these terms will terminate;
- (b) you must stop using the applications and (if applicable) remove them from your device.

Changes to these Terms

We may update our Terms from time to time. As such, you are encouraged to periodically review this page for any changes. We will notify you of any changes by posting new Terms of Use on this page.

These Terms will take effect on July 20, 2024.
