

PUZZLES

ProProfs is a great site that provides multiple options for online learning and assessment.

Create Your Account

Enter www.proprofs.com into the web browser.

Select 'Sign Up Free'

Choose the 'g+ Google' option

The image shows the 'Sign up for your ProProfs account' form. At the top, there are three social login buttons: 'g+ Google' (circled in blue), 'Facebook', and 'Twitter'. Below these is an 'OR' separator. The form then has input fields for 'Username', 'Password', and 'Email'. The 'Username' field has a red error message 'Please provide a username.' below it. Below the 'Email' field is a small note 'We have a strict no spam policy.' At the bottom of the form is a blue 'Sign Up' button. Below the button, there is a link 'Already have an account? Login' and a small disclaimer: 'By clicking the above button & signing up, you agree to our privacy policy & terms of use.'

If you are logged into your Gmail account, you will be asked to choose an account.

John Prince	Who our library is named after
Grounds for thought	Name of the coffee bar in the GCC Student Union
North	GCC Main and GCC ____
Black	One of our school colors

Add More Words +

Create My Game

You will receive a message confirming you have successfully created the game. Select 'Play Game.'

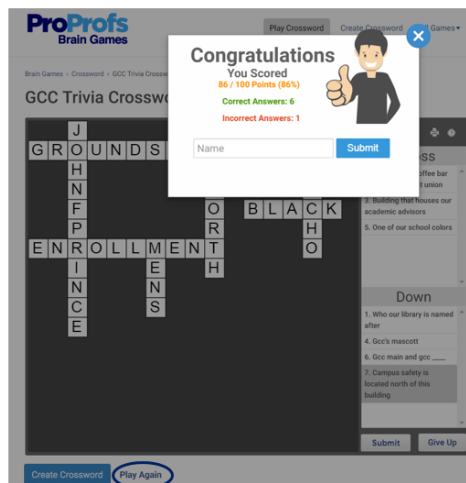

Great, you have made it! Start playing :)

Once your crossword puzzle has populated, copy the URL and paste it in Canvas as a hyperlink.

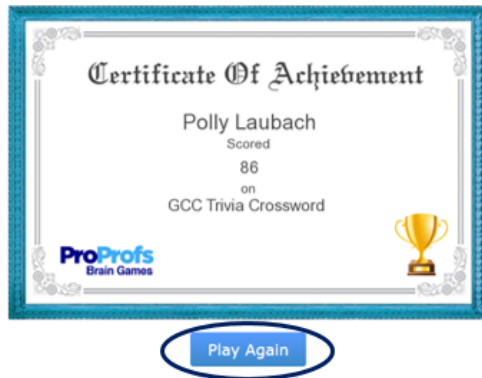

The hyperlink will take students directly to the crossword puzzle. Upon completion of the puzzle, students will receive their score. They can either choose to submit their answer (they will then receive a certificate with their name and score), or they can choose to play again.

If a student submits, they will receive a certificate with their score; they will also receive another opportunity to redo the puzzle.

Congratulations!

You got a score certificate.

Students can screenshot their score and save in a Word document and then submit the document to Canvas.

Jigsaw Puzzle Instructions

After selecting Brain Games>Jigsaw, you will be asked to name your puzzle, upload an image, determine difficulty level then select Create My Game.

Once your puzzle has populated, copy the URL and paste it in Canvas as a hyperlink. The hyperlink will take students directly to the puzzle.

Upon correct completion of the puzzle, students will receive an opportunity to enter their name.

Students will then receive a 'Congratulations' with a score that reflects the amount of time needed to correctly complete the puzzle.

Students can screenshot their score and save in a Word document and then submit the document to Canvas.
