Summary of Services	<p>Self-Healing Communities of Michiana is a non-profit based in South Bend, Indiana, modeled on the Self-Healing Communities movement in Washington state supported by over 20 years of improving community health data. Self-Healing Communities of Michiana is dedicated to creating and curating resources on the neuroscience of trauma and human resilience to help organizational leaders and community members better care for one another. Our mission is to nurture personal and community well-being through the neuroscience of human resilience and the celebration of our collective strengths.</p>
