

Kidderminster Medical Society

Undergraduate Elective Bursary

Applications are invited for the award of a bursary of £1000 to help support an elective placement during your time studying for your MB ChB (or equivalent) degree at a UK medical school.

The successful recipient of the award will be required to demonstrate a connection with the Wyre Forest area of North Worcestershire. As an example, this may include;

Applicants who live or work in the Wyre Forest area.

Applicants who have lived in the Wyre Forest area within the previous 10 years.

Applicants who attended secondary School in the Wyre Forest area.

Applicants who were born in the Wyre Forest area.

The bursary will be available for the 2025 / 2026 academic year and applications should be submitted, including an elective plan and aims and a covering letter confirming eligibility as outlined above and a short Curriculum Vitae before the end of October 2025

The recipient will be expected to write a short report at the end of the year to update the society on their progress. The report will be published (including pictures) on the society website (www.kidderminstermedicalsociety.co.uk).

Further information can be obtained from and applications submitted to:
