

EnglishConnect Volunteers Needed!

Join us for an evening of meaningful conversations! Our students are very motivated to learn English for work, school and family life. They are so appreciative of those that volunteer their time to help them learn in this type of environment. Sign up today to help someone build confidence in their English skills.

- Our goal is **12-15 volunteers**, with a minimum of **9** and a maximum of **25**. With **9 volunteers**, each will work with **2-4 students** at a time. Ideally, we'd like **1-on-1**.
- **Youth groups** have been fantastic volunteers in the past, so we encourage YM/YW.
- **No prior teaching experience required!** Knowledge of Spanish is helpful but not necessary.
- Please arrive by **6:45 PM** for a brief orientation.
