MATH LAB ROOM F115

Welcome to Math Lab for Freshmens. In this class we will focus on skill building and developing math skills that will result in success in the Algebra classroom. This class is a pass/fail course with credit for passing. There is no homework outside of class with the exception of remote day work. The schedule for work is shown below in the table:

Monday	Tuesday	Wednesday	Thursday	Friday
In Person	In Person	In Person	In Person	In Person
*Check Google Classroom for entry activities *Do IXL for 20 minutes *Lessons from math curriculum *Game based math, time allowing	*Check Google Classroom for entry activities *Do IXL for 20 minutes *Lessons from math curriculum *Game based math, time allowing	*Check Google Classroom for entry activities *Do IXL for 20 minutes *Lessons from math curriculum *Game based math, time allowing	*Check Google Classroom for entry activities *Do IXL for 20 minutes *Lessons from math curriculum *Game based math, time allowing	*Check Google Classroom for entry activities *Do IXL for 20 minutes *Lessons from math curriculum *Game based math, time allowing

***Check in with your Google Classroom each day to see if Mrs. Markus left you any messages individually or as a class. If there are not any messages, then go straight to IXL and work in the recommendations page or if you need to narrow your skills you will work in the Diagnostic area.**

Instructor: Cary Markus

Email: cmarkus@mvths.org

We will work in Xtra Math, Gap Closing/Edugains, Khan Academy, math games, and various other resources as needed to build your skills in math and meet growth targets in IXL and in your goals for the class. This class is not a one size fits all approach. We strive to meet your needs individually and foster a love for learning math where one may not have previously existed through game based learning and math coaching along with skill practice.

Your grade in this class is based on participation, effort in classwork, overall growth based on IXL, and class skill units when in person learning allows.

Students are rewarded for effort and participation in the class daily as individuals and as a group.

IEP/504 Accommodations

Students with an IEP or 504 Plan *may* have individualized accommodations. There are some embedded features on Chromebooks which can help such as Google Read & Write (purple puzzle piece on the toolbar with an "rw") to read material aloud. Contact your teacher for due dates regarding extended time and to discuss accommodations.

Quarantine Learning Plan*

***This plan is only available to students on an approved plan through the Nurse's Office.**

Math Lab is a pass/fail class with participation points daily for the following:

Daily Work: IXL 30 minutes daily working from the Recommendations Page.

Please check Google Classroom for daily messages from Mrs. Markus.

Materials: IXL can be found by logging into IXL.com from your chromebook internet browser and Google Classroom.
