You're both so sweet and talented

that everytime I see a new upload from you two

I do this little jump and click your video extremely quickly
and aggressively ((ò . ó))

THEN I CLICK REPLAY..A LOT owo ♥

I wish that our timezones were closer together,
so we could talk more often,
because I really miss talking to both of you ;w;
I feel like we never talk as often anymore

(Mara, remember our super long essay-like skype chats? xD)

Your birthdays came so quickly too! >////<

It makes me a bit sad to know how fast time flies,
because I was literally going to make you both little
keychain plushies to send for your birthday
and now it's too late and I can't find the time ;A;
