

Dear Parents and Guardians,

Your child is currently receiving individualized instruction at school through the Web-based Istation program. We have chosen to extend this experience by providing unlimited access to Istation at home!

Here's how you can gain access to the Parent Portal and Istation Home for your child. You will need your child's login information in order to access Istation Home.

School/Domain: wilson.lubbock.tx

For the **Username** and **Password**, please ask your child's teacher or Stacey Stephens. You may reach me at stacey.stephens@lubbockisd.org or 806-219-7503. I would be happy to provide the information.

The first step is to install Istation on your home computer. This is a quick and easy process. Go to [**www.istation.com/IstationHome**](http://www.istation.com/IstationHome) and follow the simple installation instructions.

The [**www.istation.com/IstationHome**](http://www.istation.com/IstationHome) Web page also provides information on how to log in to the Istation Parent Portal, where you can view your child's progress and access reports and other resources.
