Annual Scholarship Requirements

HACGC offers a \$2000 scholarship to students enrolled full-time in an accredited college, university, or trade school located in any state studying any of these majors: Horticulture, Floriculture, Landscape Design, Botany, Agronomy, Conservation, Plant Pathology, Environmental Engineering, Environmental Science, City Planning, or other allied subjects approved by the Scholarship Committee Chairperson. If the scholarship recipient remains in good academic standing at their institution of higher learning, this scholarship renews every year until degree completion. Graduate school extension can be considered.

Candidates are required to submit the following materials by mail or email to Mrs. Lori Ribbans, 417 N. Scenic Road, Harrisburg, PA 17109, lribbans@verizon.net. Post-date application deadline is April 3, 2026. To avoid missing the deadline if mailing, make sure your application is post marked when you drop it off at the post office. If further questions, 717-562-8474.

The application packet will contain the following.

1. Application form
2. Completed official academic transcript
3. Essay written by applicant
4. List of extracurricular activities/honors and awards.
5. Three letters of recommendation addressing the character, scholastic abilities, and work ethic of applicant.
6. Photo of the applicant (4x6 please).
