

Yifei Nof is a travel camp; the fewer items you have to unpack and repack when we travel the easier it will be for you. We are also limited in space for luggage on our bus.

Because of the adventurous nature of our program, please DO NOT bring anything delicate or expensive. It may get ruined!

Please bear in mind that all luggage must fit into **1 suitcase/duffle bag**; and luggage must be compact and easily transportable. If you can pack it all in a large carry-on... kov hakavod! (PS. It can - and has - been done)
