Exciting news! Your child has access to the web-based Destination Success software at school, home or your local libraries. Your child may now practice or review math and reading skills taught at school, or learn and apply new skills aligned to national and state standards.

First Things First!

Logging In to Destination Success

First: Open your web browser, usually Internet Explorer.
Next: Type: <https://success.duvalschools.org>

Student Login Information

Students log in using their DCPS credentials which can be obtained directly from the teacher or school

Parent Exploration
 You may explore Destination Success by logging in with your child's Username and Password.

Pop-up Blockers

- Most computers will automatically block Destination Success pop-ups, returning you to the log in screen again and again.
 - To temporarily allow pop-ups – hold down the **Ctrl** key before clicking on **Log In**.
 - To always allow Destination pop-ups, you will only need to do this once:
 - Open Internet Explorer, click on **Tools** on the top toolbar
 - Choose **Pop-up Blocker**
 - Select **Pop-up Blocker Settings**
 - In the **Address of Web site to allow** box, type
 - <https://success.duvalschools.org>
 - Click **Add** and Click **Close**
- **If you have a browser other than Internet Explorer, check your browser instructions for unblocking pop-ups.**

Plug-Ins

Destination Success requires Adobe Flash Player and Shockwave Player. If the plug-ins are not loaded on your machine, go to www.adobe.com and follow the online directions to load the plug-ins.

Additional Support

Go to the main Duval County Public School website and click on the **Parent Link**, then click on **Student Software**. Find the Destination Success section for updated information, scope and sequence, and parent guides.
