Complete the interest form to join the campaign: <a href="mailto:bit.ly/InDistrictAdvocacy">bit.ly/InDistrictAdvocacy</a>. Or simply join a <a href="mailto:Friday morning training">Friday morning training</a> all members are welcome!
- 7. **Local Control of Education Study by LWVMD.** This would best be accomplished by a hybrid Zoom/in person meeting. Suggestions on best days and times to schedule this for maximum attendance would be appreciated. Our Board meetings are usually Monday evenings, would that be suitable for members on a different Monday than our next Board meeting? That would be September 22, 29, or October 6 or 13.
- 8. **Non-citizen Resident Voting.** We need a lead and a couple of members to begin the formal process of the study.
- 9. Moderator for general election forums. We need more volunteers.
- 10. Voter Registration Training. Who has taken this training?
- 11. Constitution Day, September 17. Other "holidays" we may want to celebrate with special events.
- 12. Garden at Federated Charities: How should we use this offer?

- 13. **Liaisons with LVWMD** I think this is critical whenever there is a change of leadership after annual meetings. New leadership typically gets a good bit of help from former leadership along the way, but more formal transitions might be good.
- 14. **Donations.** Do we want to begin a regular modest campaign to generate more donations for our basic budget items? Costs are growing as we do more events to reach out into the county.
