## Getting a glass of water

### INSTRUCTIONS:

Write down a list of steps to get a full glass of water from the tap and to drink it.

Things to think about:

- how you will know when the glass is full
- finish with nothing in your hands
- don't waste water

### Get a full glass of water from the tap instructions

*(I will give you a hint to get started)*

1. Get a Glass
- 2.
