### Title

GDG Tech Sessions – Flutter Tips for Productivity and Learning w/ Roman Jaquez

### Body

 This is an online event. It will be live-streamed on YouTube ([LINK](#))

In this talk, Roman Jaquez, a seasoned Flutter Developer with several published apps on the App Store and Google Play, as well as being a GDG NorthEast Mentor and GDG Lawrence Organizer, will share with us useful tips both for people new to Flutter embarking on their Flutter-learning journey and experienced Flutter developers to make them more productive and efficient.

## **Schedule**

### **00:00 - 00:05 - Tech Session Presentation (5 min)**

A brief introduction to the initiative, with the participation of the promoters, showing useful data.

### **00:05 - 00:35 - Guest speaker talk (30 min)**

Presentation of the topic in the form of slides provided by the speaker.

### **00:35 - 00:55 - Discussion panel, Q&A (20 min)**

The Q&A is intended to be made by the public along with the session, not only at the end – the most upvoted questions will be answered.

### **00:55 - 01:00 - Final remarks Thank you speaker's participation (5 min)**
