## How to Submit Your Claim with PSIC

The first and most important thing is to ensure you and your loved ones are okay.

Once everyone's safe, we can work together in filing out your claim.

- **Contact us.**  
The first step is to reach out to us. The PSIC claims the phone number is available all week, at any time.
- **Gather documentation.**  
It's essential that you collect all the relevant documentation for your insurance claim and send it to us.
- **Claims adjuster.**  
Once you've submitted it, one of our claims adjusters will step in and follow your case.
- **The inspection appointment.**  
At this stage, it is key that you know that a member of the PSIC Claim Center may need to book a visit.
- **Follow up.**  
We may need additional information or updates from you during the claim process progress.
- **Closure.**  
We'll contact you with our final decision and proceed to close your claim.
