8th Grade 2025-2026 Nombre: _____

Examen del primer trimestre

I. Maps de Latinoamérica (42 pts)
   A. Countries
   B. Capitals
   C. 1 point correct country; 1 point spelled correctly (same for capital)
   D. Bodies of water: Océano Pacífico, Océano Atlántico, Golfo de México/América

II. Listening: (15)
   A. Read the statements. Then listen to the podcast about Vieques, Puerto Rico and indicate whether each statement is cierto o falso by putting an X on the line. (5 pts total)
      1) What vocab would be helpful to study?
      2) 2.What chapter was about tourism?
      3) What is the phrase for "Website?"
   B. Read the statements below. Then listen as Rogelio talks about his life and his schedule, and circle the answer to each question. (5 points total)
      1. This comes from the "lección preliminar" so that might be a good section to study and know vocabulary
      2. Vocab that is nice: heladería, dormir, un montón de….what do those mean?
      3. I would take notes while listening because names are impt
      4. You also need to circle what is NOT true so remembering correctly and taking notes would be so helpful
   C. Read the statements and then listen as Claudia talks about her family. Circle the answer to each question (5 points total)
      1. What vocab would be good to review?
      2. Do you know, "Quién es?"

III. Multiple choice, shortish answer (77)
   A. Question words: write the correct question word spelled correctly (7 points total)
      1. What are the question words?
      2. Where are some practice questions?
      3. What do they all need?
      4. Idea: what about writing some of these questions and practicing?
   B. La Hora: write the following times out; if there is more than one way, just write ONE way and don't forget the am/pm. (15 total)
      1. Look over time notes
      2. Be sure to know the am and pm
      3. Study numbers and be able to spell correctly
      4. What's the difference between noon and midnight?
      5. There is an online practice you could do

C. Present Progressive: fill in the blanks with the correct present progressive form of the verbs (16 total)

1. It's back! What do you need to write? How many verbs?
2. What are the irregular present participles/gerund forms?
3. Be careful, a comma is important because it differentiates between talking to someone and about someone

D. Ordinal numbers: write the correct ordinal number (5 points)

1. This would be like first, second etc
2. You can just do the masculine form
3. Notes are online

E. Weather: describe the weather in the pictures (5 points total)

F. Ser o Estar: write complete sentences using a form of SER or ESTAR with the information provided (18 total)

1. Do you know nationalities–specifically from LA?
2. What would you write if you had an infinitive?

G. Verbos: write the correct form of the verb on the line (10 total)

1. These are all irregular
2. There are also "formulas" so that means the verb may or may not need to be?

H.. Map of the city: indicate whether each statement is correcto or incorrecto according to the city map (7 total)

1. Do you know your prepositions/prepositional phrases?
2. Really study these!

I. Pronombres directos: choose the letter for the sentence that uses a DOP (6 total)

1. So you just took a quiz on DOPs and this is MC
2. Be careful, I would label subj, verb, do

J. Lectura, read about Mr and Mrs Ortega's bus trip from Arecibo to Mayagűez, Puerto Rico and answer the questions . (6 pts total)
