What We Are Learning This Year

During the school year, we will cover all of the 7th-grade Indiana State Standards. We will read a variety of texts, including short stories, poetry, informational texts, argumentative articles, non-fiction articles/stories, and novels. The novels we will be reading as a whole class are The Outsiders and The Giver. We will also read a novel (poetry-based) via literature circles in quarter 2. We will also write constructive responses (RACE) and narrative, informative, and argumentative essays.
