

Google Certified Trainer Pathway

This document outlines the process to become a Google Certified Trainer. It includes training, assessments, video demonstration, and documented PD experience.

Step 1: Certified Trainer Course

Completing the [trainer course](#) and get instruction on

- 1) Creating and Delivering Inspiring and Effective Training Plans
- 2) Helping Educators Use Transformative Google Technologies.

This course will help you bolster the training, leadership, and interpersonal relationship skills that make you an effective trainer. (~8 hours)

Step 2: Trainer Skills Assessment

Pass the [Trainer Skills Assessment](#) (~1 hour). This exam tests your understanding of the Trainer Course and familiarity with Google for Education.

Step 3: Google Certified Educator Level 1

Take the [Google Certified Educator Level 1](#) exam (2-3 hours) to assess your ability to successfully integrate Google tools into their teaching practice to enhance teaching and learning. This exam will help you build your confidence as you work with educators and Google tools.

Step 4: Google Certified Educator Level 2

Take the [Google Certified Educator Level 2](#) exam (~3 hours) to learn cutting-edge strategies for integrating a wider range of Google for Education tools and technologies in the classroom. For more information regarding the Level 1 and Level 2 exams, please check out the FAQ page.

Step 5: Trainer Video

Distinguish yourself by submitting a 2 - 3 minute video demonstrating how a Google Workspace for Education product, Chromebooks, or Chrome can be used in a classroom or school setting in an innovative way.

Video evaluation criteria:

- The video must be 2 - 3 minutes in length. Videos longer than 3 minutes will result in a declined application.
- The video is on a Google Workspace for Education product, Chromebooks, or Chrome.
- The video instructions / steps are easy to follow.
- Applicant demonstrates how products can be used in a classroom or school setting in an innovative way.
- Screencasts are preferred.

Step 6: Professional development experience

Include 3 - 5 of your favorite Google-specific professional learning opportunities you have led in the last year (including podcasts, blogs, training materials, online courses, and of course training sessions). You'll need to list the date, topic, and other supporting materials.

Step 7: Apply!

[Submit](#) your membership application with the above materials (~1 hour). You will also be asked to answer a series of short questions. Your responses will give us an understanding of your training experience, including planning, implementing, evaluating, and building learning materials.
