SERVICE-LEARNING HOURS LOG

FSL ORGANIZATIONS

Name: _____
Semester Term: _____

This is a tool to help you keep track of the service-learning activities you earn as an affiliated member of an FSL organization throughout the semester. This log will **not** be used in Eagle Service Network. For service-learning hours to count toward your graduation requirement, you will need to accurately complete the process in Eagle Service Network (as shown here).

Tips for success when entering your service-learning hours in Eagle Service Network:

- You must list the name of the registered 501c3 non-profit organization or government agency you/your organization's event the student is partnering with for service. **You have to enter the non-profit organization your activity or event benefited, NOT your fraternity or sorority name.**
- Your chapter advisor is the person who should be verifying all of your service-learning hours done as a member of your organization. Therefore, you should let your advisor know when you are participating in service-learning activities as a member of your organization and when you track your hours in Eagle Service Network.
- Not sure what counts as service-learning hours? Check out this guide.
- Questions? Contact servicelearning@fgcu.edu
