

Pre-Observation Form

Bring this outlined form or a lesson plan that includes the information below to your pre-observation conference to facilitate discussion.

Teacher _____ **Date** _____
School _____
Grade/Subject _____

- 1. Briefly describe the students in this class, including those who may need accommodations.**
- 2. What are your goals for the lesson? What do you want the students to learn? How do these goals support the district's curriculum, state frameworks, and content standards?**
- 3. What strategies will you use to engage students in the content? What instructional materials, technology, or other resources will you use?**
- 4. How do you plan to assess student achievement and how do you plan to make use of the results of the assessments?**
