

Virtual Learning Guide:

For all virtual learners/quarantined students:

Log into your chromebooks using your school email.

Open Chrome and click on the Google Apps box in the upper right corner of your screen.

Choose Google Classroom.

Here you will enter your Google Classroom codes to join the specific classroom for your teacher/period. (New students, these may have been emailed to you or provided on your schedule when you registered.) (Current students, you should have these and already be enrolled in the Google Classroom.)

Inside each teacher's Google Classroom you will find all of your assignments and the zoom link for that class.

You must join the correct Google Classroom to have access to the zoom link for your period. Please log on a few minutes before the class period starts to ensure that you are counted present. If you have any problems or questions about attendance you need to notify your teacher immediately!

If you are virtual or quarantined you MUST zoom every class period of every day to be counted present!

Please also join the 7th or 8th grade Google Classrooms so that you will be up to date with information that is sent out to all students!

7th Grade: hmyupex

8th Grade: qq6exjh

Here is a photo of the bell schedule so you will be logged in at the correct time for each class!

Seventh Grade Bell Schedule

Remediation	7:55-8:25
