### ABSTRACT

*(CALIBRI, 10, italic, justify, single spacing) – The abstract should not more than 300 words each. The abstract should not only indicate the subject and scope of the manuscript, but also summarize the author’s conclusion. Structured abstract must be a brief, comprehensive summary of the contents of the manuscript. It allows readers to survey the contents of an article quickly. An abstract summarizes the major aspects of a paper. It should succinctly summarize the purpose of the manuscript, the methods used, the major results, and the conclusions.*
