We're teaming up with [HOT Volleyball NYC](#) for a preseason clinic held on the campus of Dwight-Englewood School. The Tryout Prep Camps' focus on preparing the athlete for Tryouts whether it is for School Teams or Travel Teams.

Whether you're a beginner looking to learn the basics or a seasoned player aiming to refine your technique, our camps offer something for everyone. Through dynamic drills, engaging exercises, and scrimmage opportunities, participants will enhance their serving, passing, hitting, and defensive abilities while fostering a deeper understanding of the game.

Beyond honing their individual skills, campers will also learn the importance of teamwork, communication, and sportsmanship – qualities essential for success both on and off the court. Our positive and encouraging coaching staff is dedicated to nurturing each player's potential, building confidence, and instilling a love for the game that lasts a lifetime.
