MC: 	What the?
Goddess:	Hello! You have been chosen to become a great hero.
L2 Panel 5:	Goddess descending down from the sky within her own sparkling spotlight. Praying and looking divine. [Either side of black background a couple simple examples of what she is saying. Such as the land and the enemy].
Goddess:	You the reincarnated will travel the diverse and vast lands of another world. Gathering allies and gaining strength, all in order to fight a nearly insurmountable great evil.
L3 Panel 6:	MC staring forward blankly and kind of annoyed.
MC:	No thanks.
Goddess: 	w-What?!
MC: 	Sounds like a lot of work...

Page 2:

L1 Panel 1:	Goddess struggling greatly and literally yanking on MC's arm and trying to drag him through to the other side. MC, annoyed, just powering through the grip to walk away, dragging the goddess with him
Goddess:	You'll be okay! Just hang in there! You'll be just fine!
MC:	Really I'm good. Either put me back or let me appreciate the sweet embrace of nothingness.
Goddess:	Scary! It looks like you're starting to fade...
Panel 2:	Goddess shouting out [at camera].
Goddess:	Just hang on a little bit longer! Okay?!
Goddess:	Everything will be alright! So just don't sweat it.
Goddess:	You'll wake up any minute now, right?!
Panel 3:	MC glancing back, facial expression pained, and clearly his mind is fading. He is reaching out to grab his head. [Panel beginning to fade out].
MC:	Wait what do you-?
MC:	Ah! Why does my head hurt?
MC:	And is everything getting even darker or...?
Panel 4:	[Hard Cut] MC still comedically bleeding out on the ground. Female character that hit him with her car looking just like the goddess. She is crouched down next to him, not super enthused or seemingly all that worried about what's going on.
FL:	Hey you're going to be okay right?
FL:	Just hang in there buddy.
