

# Third Grade News

## January Edition

Happy New Year!!!

## Some of What We're Learning...

ELA	Math	Science	Social Studies
<i>Adventures in Light and Sound</i> Students will read about light sources, shadows, and characteristics of sound. They will learn about some famous inventors, spelling patterns that make the /ee/ sound, and dictionary skills. They will also continue to work with adverbs and suffixes.	multiplication and division with units of 0, 1, 6-9, and multiples of 10	weather and climate	compare geographic features, identify natural/physical and human-made features, describe population distribution (urban, suburban, and rural), describe how geographic features change over time and influence how people work/live

## Coming Up

-Winter **MAP R** and **MAP M** will be taking place this month. More specific details to follow.

-Dr. Martin Luther King Jr. Day **Monday, January 20** - school closed for students

-Professional Day for teachers- school closed **Jan 29, 2025**

## One More Thing...

- Please continue to review your child's grades in ParentVue and exit tickets.
- Please make sure your child is practicing his/her multiplication facts. They should be practicing with their flash cards regularly.
- Please continue to help your student to be ready for learning each day: students should have their daily homework, home folder and agenda book. Please also check your child's home folder and agenda book each night. Review their behavior color with them as well.
- Please feel free to contact me with any questions you may have. My email address is: [ayanna k heard@mcpsmd.org](mailto:ayanna_k_heard@mcpsmd.org).
- These newsletters are also available on the school's website.
- Thank you so much for all of your support.
