

DAVID,

Why are you being a little BITCH?

Huh...

Do you really want to be rich, strong, and a fucking G?

Apparently not.

Because unlike YOU, G's don't fuck around and waste their time

Do you really need 10 hours of sleep?

NO!

You're a fucking G. Ready to go at any time! Hard to kill! You have fire blood boiling inside your veins powering you like a demi-god.

READY TO CONQUER THE ENTIRE WORLD AND MAKE IT YOURS

Yet somehow, somehow, you fuck it up.

Listen...

GOD has given you every tool you need to become successful. EVERYTHING!

And you're going to waste it?

Why? Because you're tired. Because you're sleepy? Because you don't feel like it?

FUCK YOU.

FUCK your feelings.

FUCK your excuses.

Your mom needs you, your sister needs you, you're the man of the house.

You HAVE to be rich, You HAVE to be strong, You HAVE to be hard to kill, You don't have a choice!

Did your father really die and not leave behind a man?

GET UP AND GET TO FUCKING WORK!
