I'll be live most of my gameplay! Come say hi!

Updated 9/29/2025

Canvas aeterna arcana and mistville got 100% additional monster health and 50% additional monster damage

These predictions are based on level 6 pacts for the corresponding mechanics  
unless the strategy doesn't involve pacts

## Week 1 -

1. **Canvas** - you need skill supports it's just that simple (ITS HARDER NOW)
2. **Blacksail** - you need memories
3. **Boss rushing** - new possibility with the new boss nodes
4. **Outlaw** - Basic Sequence Bases (if they still exist)
5. **Beacon farming** - china's favorite strategy
6. **Might** - Ember Farming
7. **Mistville** - activations took a slight hit (ITS HARDER NOW)
8. **Arcana** - fates kismets etc (ITS HARDER NOW)

9. **Cube** - need slates
10. **Dream** - buffed increased talking stack size and better droprate
11. **Path of brave** abuse 3-4-5
12. **Sandlord**
13. **Confusion Card fishing?** (unsure how this will pan out)
