What building am I going to?

White Gravenor Hall is located on the Georgetown main campus Copley Lawn, right by the corner of P St NW and 37th St NW. There are stairs and an elevator to get to the 3rd floor room where we will be situated (room 311).

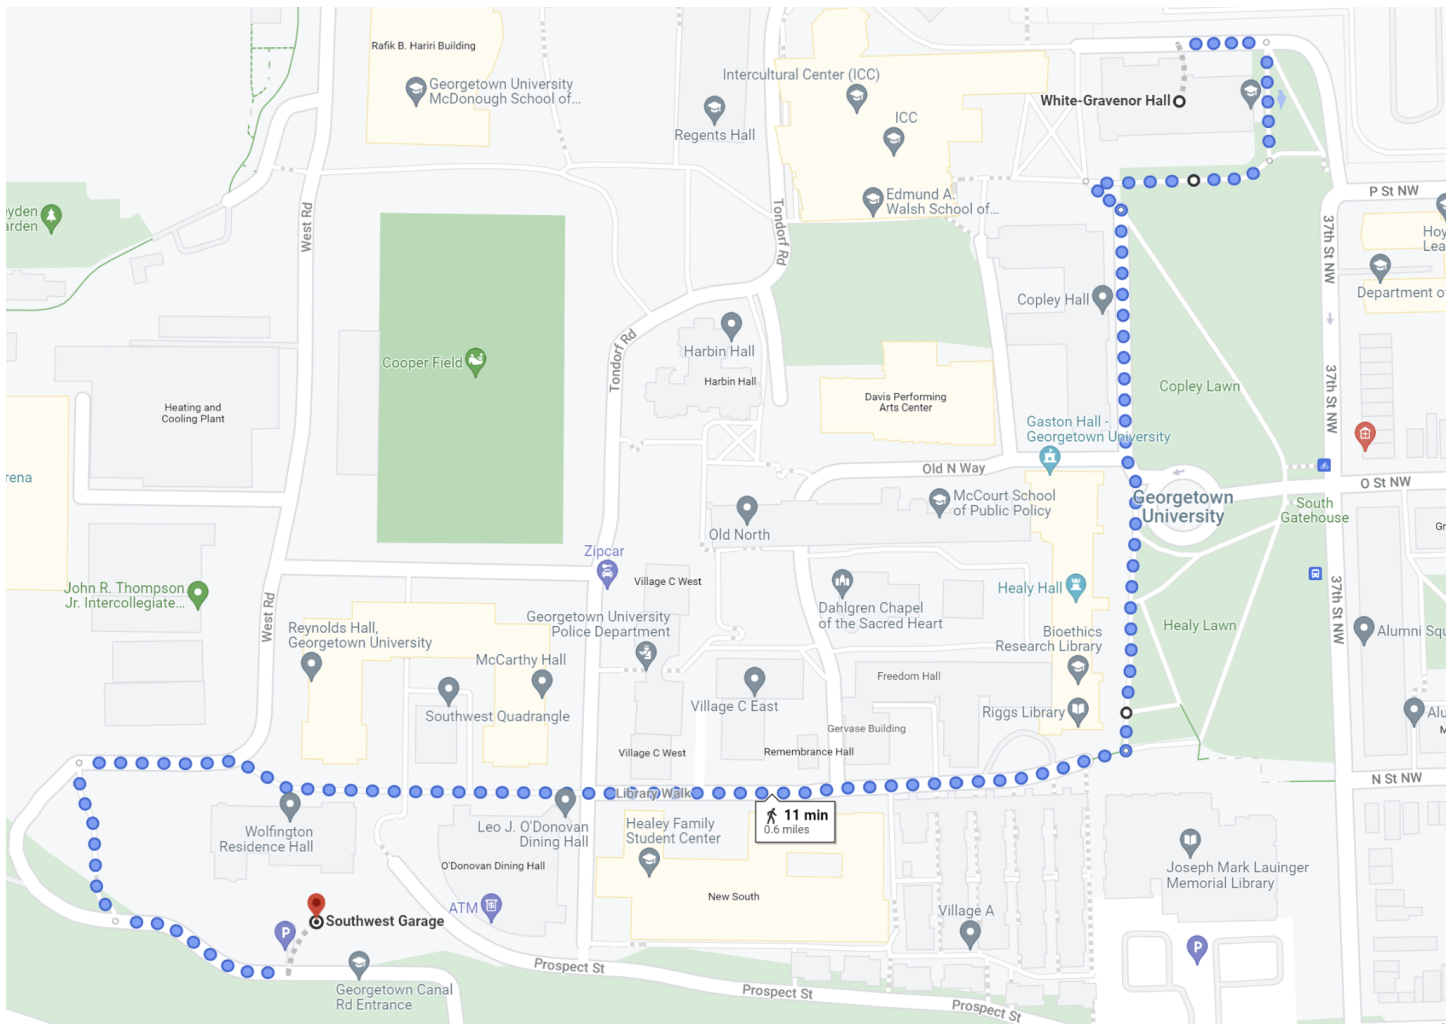

You can map there using Google Maps:

Walking to White Gravenor:

- If you are walking from a sidestreet, there is a main gate and a side gate along 37th St NW at the intersections of O St NW and P St NW as shown above. Enter and WG is on your right at the top of the quad.
- if you are walking from the Southwest Garage, walk up the hill til you see the bus turnaround, then turn right to walk straight away from it, down Library Walk, til you hit the open quad (Healy Lawn). WG is then on your left at the top of the quad. (see below)

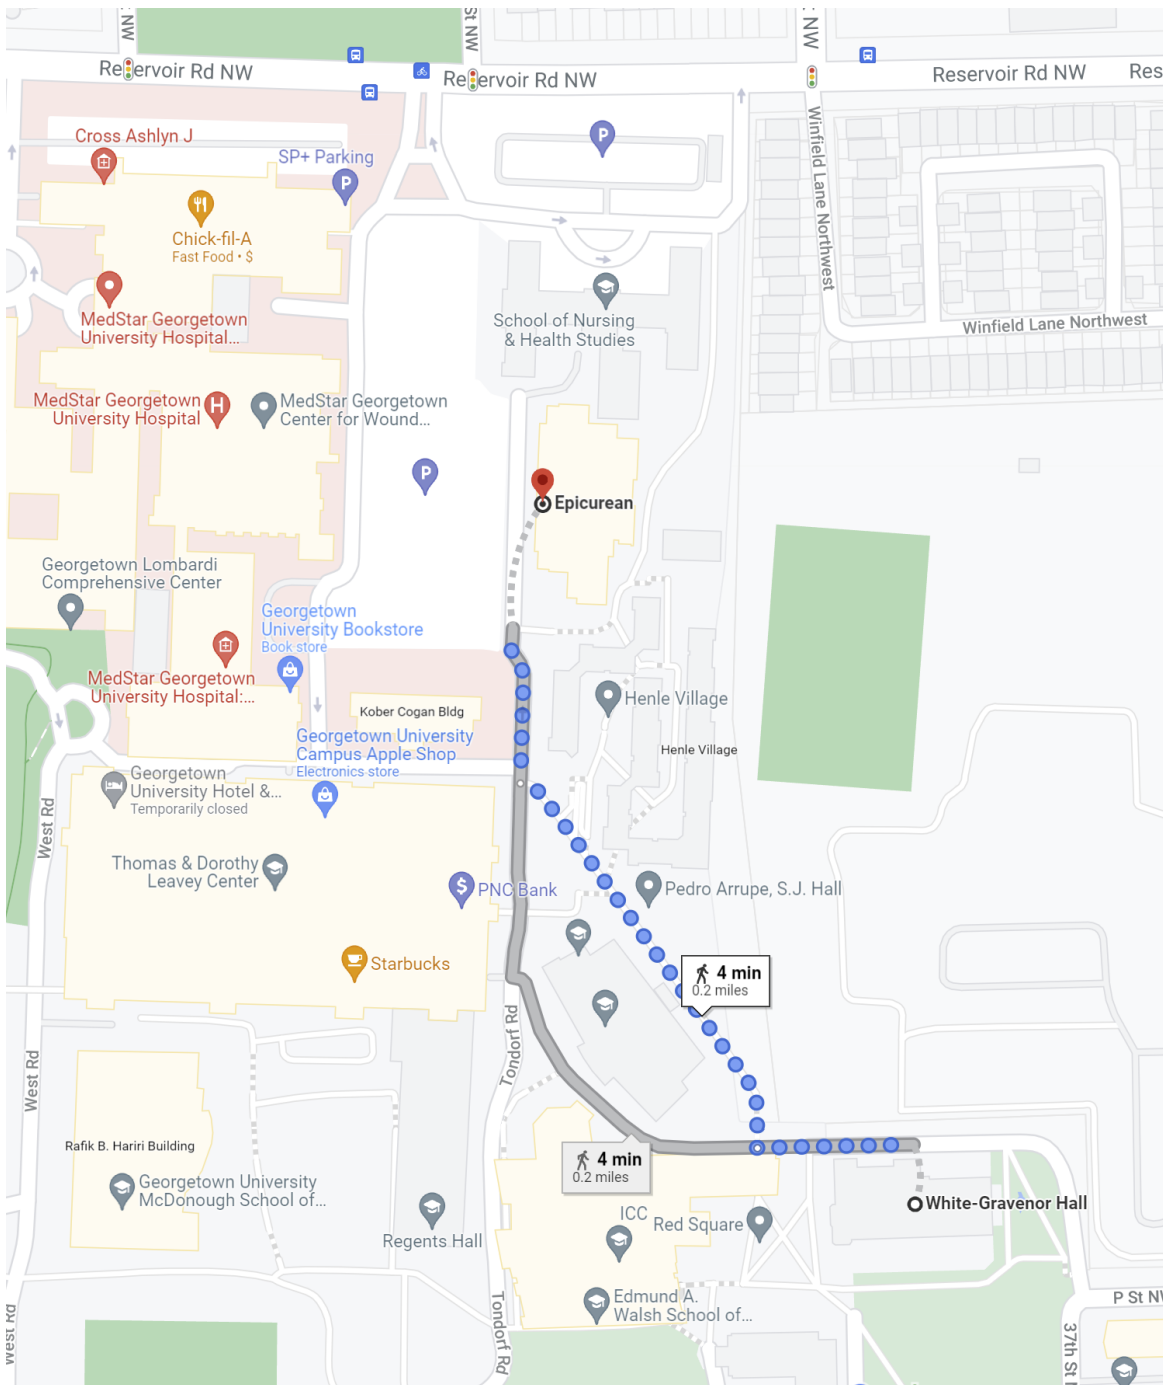

Where are some places I can get breakfast/lunch/dinner nearby?

We will provide coffee and tea in the morning, but to limit the amount of de-masking inside during the event, we will not be providing meals. Feel free to bring your own meals or head to a nearby place with some new project-mates to eat! Most places are eat-in or takeaway.

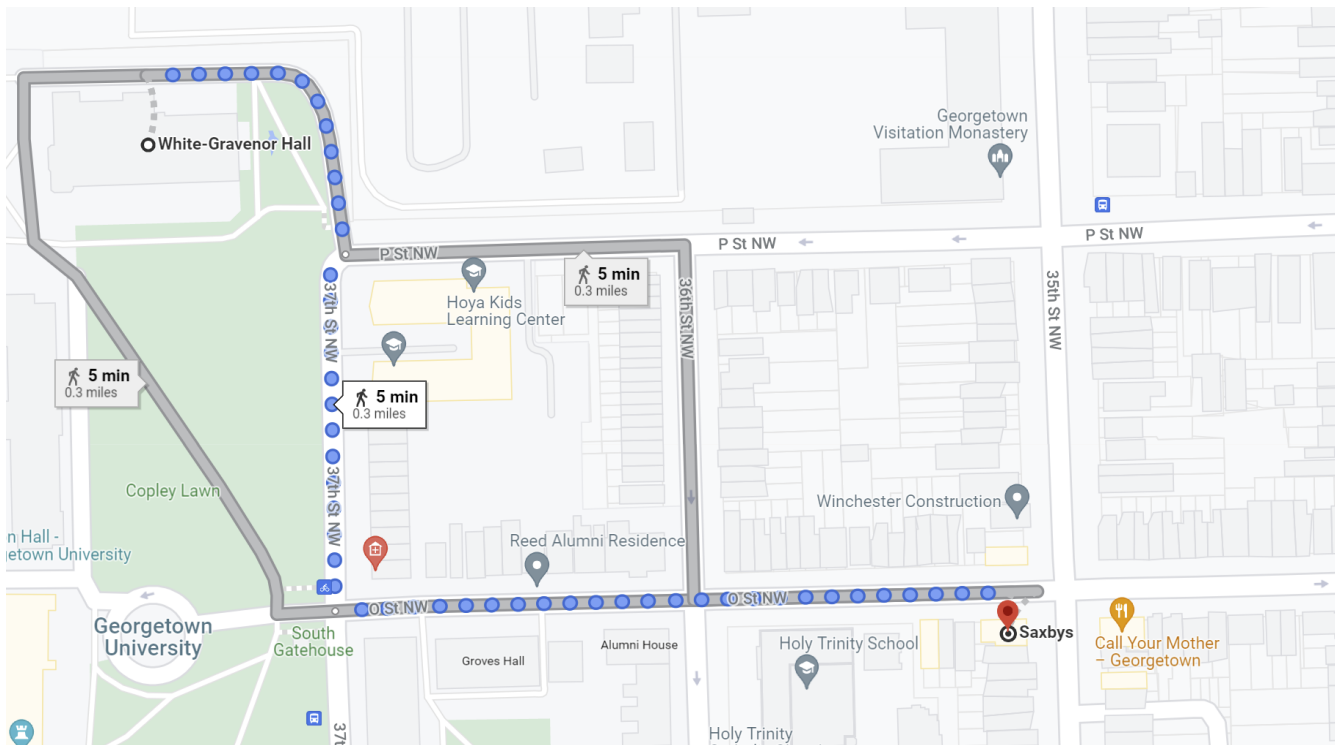

On-campus:

- Epicurean (also the location of the *social event!*; various food court style options + bar)
- Starbucks
- Chick-fil-a

Off-campus:

- Saxby's (closes mid-afternoon)
- Call Your Mother bagels (closes mid-afternoon, need to order online on weekends)

Slightly farther off-campus:

- Various restaurants and cafes on Wisconsin Ave, M Street, and surrounding side streets
- E.g. Compass Coffee, Curry & Pie, Falafel Inc., Mai Thai, sweetgreen, Pizza Paradiso
