

RIVERSIDE SCHOOL NEWSLETTER

December, 2024

**NO GINGER ITEMS AT SCHOOL. WE HAVE
SOMEONE HIGHLY ALLERGIC TO IT.**

PBIS EXPECTATIONS

Positive in School Support

BE RESPECTFUL
BE RESPONSIBLE
BE SAFE AND KIND

***I will persevere, work hard (grit) and
set goals to be successful at school!**

STUDENT COUNCIL UPDATE

-Ms. Annie delivered over 100 cans of soup
to Hope Resources from Riverside School!

-Riverside is collecting boxes of cereal the
month of December. The class with the
most will get hot cocoa.

Check out our website www.riversidehagar.org

1203 Pipestone Rd., Benton Harbor, MI. 49022**

There are several strategies Riverside
School has planned to prevent and
address bullying. Some of these
measures are:

- Creating a PBIS positive school climate that is safe, respectful, responsible, kind and fosters belonging to all students and staff.
- Implemented CRM, TRAILS and Second Step to help students build social and emotional skills, manage emotions, and establish positive relationships.
- Set and enforce policies. Use a behavior matrix that outlines behavioral expectations. Expectations are practiced several times a year.
- Recess is monitored by the teacher and each class has their own recess times.
- Staff received CRM training this year.
- Teachers use a morning and at the end of the day circle time to build positive relationships amongst students and restore any injustices throughout the day.

We are grateful for our Riverside families! Thank you for choosing Riverside School.
