

## Global Book Bag

**Title:** Children Around the World

**Author:** Donata Montanari

**Grade Levels:** TK/K/1

**Global Competence:** Explore the world w/ curiosity

[book summary]

Children Around the World by Donata Montanari **explains that children should all embrace each other no matter where they come from.** The book discusses 12 different people of different cultures and a little bit about them like the language they speak, types of food they eat, and their religion.

[book bag overview]

What else do you want to know about other children around the world? After you read your book, think of some questions you would like to ask other children from around the world.

### Bag Contents:

- book
- notebook
- pencil

### Directions:

1. Read the book Children Around the World by Donata Montanari
2. Discuss with your family the different places, cultures, languages, food, and religions shared in the book.
3. Pick one child from the book.
4. Think of questions you would like to ask that child about where they live and their life.
5. Have your guardian help you write out the questions in the notebook.

### Extended Learning:

1. Share with the class what child you picked out of the book to write questions to. Where do they live? What did you learn about them? What questions did you have for them?

Explore the  
world with  
curiosity
