Candidate's Full Name: _____

Confirmation Name Form

When you are confirmed you have the OPTION to choose a separate Confirmation name (this is not a legal name change.) The Church strongly encourages the candidate to keep his/her Baptismal name, as this is the name with which he/she began the covenant journey with Christ. If a candidate wishes to select another name for Confirmation, it should be because the example of that saint is pertinent to the candidate in his or her increased witness as a disciple of Christ.

Please indicate the name you wish to use and be recorded in the Sacrament Registry:

☐ I choose to use my Baptismal name for Confirmation as a sign of the oneness of the Sacraments of Initiation.

☐ I choose to use the following saint's name for my Confirmation:

_____

The reason why I feel it is important to take this saint's name is as follows:
