

# Secret Things You Should Know About 3rd Grade for New Incoming 3rd Graders

By Cadence LeAnn Leonard  
And Anika Nicolle Brooks

Are you joining 3rd grade and don't know anything about it? Then keep reading. In this essay, you will learn about the secret tips and info you should know about 3rd grade. Have fun!

## Names of Third Grade Teachers:

Mrs. Gallegos  
Mrs. Dahl / Ms. Eleni  
Mrs. Pekarski  
Ms. Malek

## Secret tips

- Study multiplication facts over summer break
- Study all the packets your third grade teacher gave you, and then when you are in fourth grade, you will remember everything you should know.
- Always pay attention to the teacher, or else you will get in trouble.

- Only go up to the teacher if you raise your hand, or if it is an emergency.
- Never leave the classroom if you don't have permission.
- Never intrude on class or else you will get in big trouble.

We hope that you are able to follow these tips, and we're hoping that you get a very good teacher! , Cadence Leonard, and Anika Brooks.
