

About Mrs. Mackie: Mrs. Mackie is currently in her fifth year with the Cadott School District. In prior years here, she worked as a Title I Instructional Aide who primarily led small group Reading and Math sessions and also as a 4K Paraprofessional. Earlier in her working career, she was a substitute teacher in this and other districts for many years.

Mrs. Mackie has 4 adult sons that graduated from Cadott and one daughter currently starting at Cadott High. Mrs. Mackie is an avid reader herself. She is a trustee on the village library board and has been a member of their book club for years. She enjoys non-fiction, fiction, and young adult novels. She believes building reading skills is a critical foundation to performing well across-the-board in all subject areas. She loves reading to the younger students and finds fulfillment in really getting to know the older students, what they enjoy reading, and what they are intrigued to learn more about.

Mrs. Mackie has been a village resident for 38 years, graduating from Cadott Schools herself. She then went on to UWEC to earn a Bachelor's in Business Management (with a study abroad in Scotland). Later, she earned a second Bachelor's in Accounting from Lakeland. In her spare time, Mrs. Mackie loves reading, traveling, watching the Milwaukee Bucks, Brewers, her daughter's sports, and Jeopardy, and getting out in nature for walks.
