CLOTHES

Describe a type of clothes you like.

You should say:

- what it is
- what it looks like
- how often you wear it

And explain why you like it so much.

The piece of clothes I'd like to talk about today is none other than my idol's football jersey. You know, I'm a big fan of football. And my favorite footballer is Christiano Ronaldo. Therefore, I often wear a Manchester united's uniform with number 7 and CR's name on it.

By the way, Ronaldo is a living legend of football. In 2003, he made his debut as a first-team player for Premier League powerhouse Manchester United, where he then made a name for himself as one of the most formidable strikers in England before moving to Real Madrid in 2009. He really reached his full potential in Spain and hit the big time, winning four Champions League titles with the club and four golden balls for himself. His great stamina, strength, wonderful dribbling, and sharp scoring skills also make him an unstoppable goal machine.

Wearing a real legendary number-7 shirt would be an unforgettable experience for me. So, If I really met him face-to-face in Vietnam some day , I would ask him for a jersey with his signature on it. I think it would be a once-in-a-lifetime moment for me or for any football fan in the world.
