AgDiscovery 2024	<p>Summer Youth Program</p> <p>AgDiscovery is a free summer outreach program to help teenagers explore careers in agricultural sciences. As an AgDiscovery student, you'll live on a college campus for 2–4 weeks and learn from university professors and USDA experts—plant and animal scientists, biotechnologists, veterinarians, wildlife biologists, administrative professionals, and others. You'll gain hands-on experience through labs, workshops, and field trips; participate in character- and teambuilding activities; and join in many other fun and educational events. It's a unique chance to get a first-hand look at the many exciting career paths in agriculture</p>	Click here for more information
