

AIツールを使用した英作文の添削方法～ エースアカデミー

▽ 英作文添削GPTs

<https://chatgpt.com/g/g-fTpvF8XyB-ying-zuo-wen-tian-xue-gpts>

無料版Chat GPTで利用できる添削ツールです。

▽ 使い方

Chat GPTにログインして、英作文添削GPTsを開きます。
問題文と自分の解答を入力すれば、添削してくれます。

塾内模試や過去問演習の自由英作文の添削に使用しましょう。

初期設定だと解説が英語で出てしまうため、Chat GPTを日本語に設定した上で使用しましょう(または「日本語で説明をお願いします。」等の指示を行いましょう)

▽ 塾生が使うメリット

* エースアカデミーでの添削は、例年大手予備校等にて最難関大学の英作文添削の担当をされているプロの方にご依頼しています。
どうしても添削までに2週間程度時間がかかってしまい、ご依頼のコストも1件あたり数千円程度の人件費が発生しています。

今回、AIツールでのフィードバック内容を確認しましたが、プロの添削と遜色ないクオリティです。

一方で、添削がその場でリアルタイムで行われるという、生徒様にとっての圧倒的なメリットがあります。

* 大前提として、「アウトプット」をしてはじめて成績は伸びることが重要です。

「添削」自体には当然ですが成績を伸ばす効果は全くありません。

また、英作文は英単語や英文法、構文を暗記した上で、「書く練習を行う」ことが最も重要です。

このツールを使用することで同じ問題文でも2パターンで書く練習をしてみるなど、書く回数を増やすことが英作文の一番の練習になります。

(ただし、英作文自体が優先順位は低いため注意しましょう)

* 塾生には共有を行わず、塾側の添削ツールとして使用することも検討しましたが、英作文や英語力の向上において生徒様にとって圧倒的なメリットがあるため、使い方を含めて共有させていただきます。

ぜひツールの活用を推奨させていただきます。

* 英作文は、

①英作文添削ツールはリアルタイムでフィードバックを提供し、塾生自身ですぐに間違いを修正できるため、学習効率が向上します。

②短時間で多くの英作文を添削できるため、塾生は自分のペースで何度も練習できます。

③具体的なアドバイスや改善点を示してくれるため、塾生は自分の弱点を把握し、効果的な学習が可能となります。

④英作文添削ツールは様々な表現や文法の誤りを指摘し、正しい使い方を教えてくれるため、塾生は多様な表現方法を身につけることができます。

⑤個別の英語指導や添削サービスを利用するよりも、ツールを使う方がコスト0で、またいつでもどこでも利用できるため、お金や時間の節約にもなります。

⑥本質的な英語の勉強面のメリットとして、1回添削されるより、何度も書く+単語や表現を習得する方が学習効果が高いです。

何度も書くことで、前回のフィードバックを次の英作文に反映させることができます。これにより、前回のミスを繰り返さないように注意し、より良い文章を書くことができるようになります。フィードバックを受ける度にそれを活用し、改善点に取り組むことで、英作文の質が徐々に向上していきます。

また、英作文を書くたびに新しい単語や表現を学び、それを実際に使用する機会が増えます。新しい単語や表現を使うことで、語彙が豊富になり、何度も使うことで、その単語や表現が記憶に定着しやすくなります。

▽想定される疑問点と注意点

・ツールを普段から長時間使用することは推奨できません。
「アウトプット」してはじめて成績はあがる、という原則が重要です。
ツールにかかわらず「添削」をすることには全く学習効果はありません。

あくまでも、塾内模試や過去問演習等の英作文の添削用として限定的に使用しましょう。

・有料版のGPTを使用すべきですか？
基本的に無料で使用できます。

・今年から人による添削は無くなったということですか？
→今年も希望者を対象に添削を行います。
しかし、上記のとおり添削までに時間がかかってしまう＋クオリティもそれほど変わらない印象であることをご了承ください。
生徒様自身でツールを使って添削、学習するほうが学習効果が高い印象です。

・難しい言い換え表現が出てきました。すべて覚えないといけませんか？
→アドバイスや改善点が詳しく出てきますが、自由英作文自体を練習することよりも、課題の単語や英文法のアウトプットの方が優先順位が高いため、深追いには注意して添削を確認しましょう。

・添削ツールが正しくない添削をしてきました。
→ツールは、どうしても誤っている可能性もありますので自身でも確認しましょう。
(ただし、これは人が添削しても同様です)

・Chat GPTやツールの使用方法が分かりません。
→下記の参考URLをご覧ください。また、ご自身でネットで調べるなどして解決しましょう。

下記の問題文と解答を読み込み、添削してください。

『問題文』

自由英作文問題

下記テーマについて、英語で自分の考えを述べなさい。書体は活字体でも筆記体でもよいが、解答は所定の範囲内に収めなさい。

The writing will be evaluated from the viewpoint of both quantity and quality. The evaluation will also consider whether what you write responds to the question.

You are expected to write one complete essay. Your essay should include an introduction, main text, AND conclusion. Please write as if you are writing for someone who has not read the topic question.

Except for anything related to healthcare, if you had not chosen to go to medical school, what other path would you have taken? Why?

『解答』

Except for anything related to healthcare, I would have pursued studies related to the universe

instead of going to medical school. There are three specific reasons for this.

Firstly, I'm fascinated by the unknown. In medicine, there's an ongoing battle between the field and unknown viruses like coronaviruses. Similarly, space has countless unknowns waiting to be explored. In particular, I am curious about dark matter. It's said that dark matter must exist in space, but no one knows what it really is. If I were a scientist in this field, I would try to unravel this mystery.

Secondly, space can offer solutions to many problems that the Earth and its inhabitants are currently facing, including global warming, explosive population growth and more. I have read many articles stating that the average temperature of the Earth is rising at

a very fast rate, and we may reach our limits soon. Once we cross these limits, we will probably be unable to return to normal lives.

Therefore, exploring space for a new living environment is crucial for humanity's survival. Ensuring a place to live is the top priority, and working in this field would be very meaningful.

Last but not least, as we develop technologies for research into space, we can apply them to everyday items such as clothing and medical equipment and improve our standard of living. Although some may view the space industry as unrealistic, it can positively impact people's lives.

Thus, I'm interested in space as well as medicine, and I would study about the field, excluding the medical field.

▼GPTsの添削①

- ① Except for anything related to healthcare, I would have pursued studies related to the universe instead of going to medical school.
- ② There are three specific reasons for this.
- ③ Firstly, I'm fascinated by the unknown.
- ④ In medicine, there's an ongoing battle between the field and unknown viruses like coronaviruses.
- ⑤ Similarly, space has countless unknowns waiting to be explored.
- ⑥ In particular, I am curious about dark matter.
- ⑦ It's said that dark matter must exist in space, but no one knows what it really is.
- ⑧ If I were a scientist in this field, I would try to unravel this mystery.
- ⑨ Secondly, space can offer solutions to many problems that the Earth and its inhabitants are currently facing, including global warming, explosive population growth, and more.
- ⑩ I have read many articles stating that the average temperature of the Earth is rising at a very fast rate, and we may reach our limits soon.
- ⑪ Once we cross these limits, we will probably be unable to return to normal lives.
- ⑫ Therefore, exploring space for a new living environment is crucial for humanity's survival.
- ⑬ Ensuring a place to live is the top priority, and working in this field would be very meaningful.
- ⑭ Last but not least, as we develop technologies for research into space, we can apply them to everyday items such as clothing and medical equipment and improve our standard of living.
- ⑮ Although some may view the space industry as unrealistic, it can positively impact people's lives.
- ⑯ Thus, I'm interested in space as well as medicine, and I would study about the field, excluding the medical field.

【添削】

- ① Except for anything related to healthcare, I would have pursued studies related to the universe instead of going to medical school.

○

理由:特に問題ありません。この文は正しいです。

- ② There are three specific reasons for this.

○

理由:この文も正しいです。

- ③ Firstly, I'm fascinated by the unknown.

○

理由:文法的にも内容的にも問題ありません。

④ In medicine, there's an ongoing battle between the field and unknown viruses like coronaviruses.

△:「between the field and unknown viruses」という表現が少し不自然です。

○: In medicine, there's an ongoing battle against unknown viruses like coronaviruses.

理由:「between」は「～と～の間」で、対抗の意味を表すためには「against」を使うのが自然です。

⑤ Similarly, space has countless unknowns waiting to be explored.

○

理由:特に問題ありません。

⑥ In particular, I am curious about dark matter.

○

理由:この文も正しいです。

⑦ It's said that dark matter must exist in space, but no one knows what it really is.

△:「must exist in space」が少し強い表現です。

○: It's believed that dark matter exists in space, but no one knows what it really is.

理由:「must」は確実性を強調しますが、「believed」はより一般的な意見を反映しています。

⑧ If I were a scientist in this field, I would try to unravel this mystery.

○

理由:文法的にも内容的にも問題ありません。

⑨ Secondly, space can offer solutions to many problems that the Earth and its inhabitants are currently facing, including global warming, explosive population growth, and more.

○

理由:特に問題ありません。

⑩ I have read many articles stating that the average temperature of the Earth is rising at a very fast rate, and we may reach our limits soon.

△:「at a very fast rate」はやや不自然です。

○: I have read many articles stating that the average temperature of the Earth is rising rapidly, and we may reach our limits soon.

理由:「rising rapidly」の方が自然な表現です。

⑪ Once we cross these limits, we will probably be unable to return to normal lives.

○

理由:特に問題ありません。

⑫ Therefore, exploring space for a new living environment is crucial for humanity's survival.

○

理由: 文法的にも内容的にも問題ありません。

⑬ Ensuring a place to live is the top priority, and working in this field would be very meaningful.

○

理由: 特に問題ありません。

⑭ Last but not least, as we develop technologies for research into space, we can apply them to everyday items such as clothing and medical equipment and improve our standard of living.

△: 「last but not least」は口語的です。

○: Finally, as we develop technologies for research into space, we can apply them to everyday items such as clothing and medical equipment and improve our standard of living.

理由: 「finally」の方がフォーマルな文脈に適しています。

⑮ Although some may view the space industry as unrealistic, it can positively impact people's lives.

○

理由: 文法的にも内容的にも問題ありません。

⑯ Thus, I'm interested in space as well as medicine, and I would study about the field, excluding the medical field.

△: 「study about the field」が不自然です。

○: Thus, I'm interested in space as well as medicine, and I would study this field, excluding the medical field.

理由: 「study about」より「study this field」が自然です。

【アドバイス】

□ 全体的に非常に良く書けています。複雑な文構造や専門的な語彙も適切に使用されています。このままのレベルで続けてください。

□ CEFRのレベル分析:

このエッセイはB2レベルに相当します。理由として、複雑な文構造、具体的な理由の提示、そして抽象的な概念の説明ができています。

□ CEFR C1レベルに上げるためのアドバイス:

さらに一歩進んで、より詳細な例や具体的なデータを引用すると良いでしょう。また、論理的なつながりをより強化するために、接続詞やフレーズを多用することも効果的です。

【リライト例】

下記の問題文と解答を読み込み、添削してください。

『問題文』

自由英作文問題

下記テーマについて、英語で自分の考えを述べなさい。書体は活字体でも筆記体でもよいが、解答は所定の範囲内に収めなさい。

The writing will be evaluated from the viewpoint of both quantity and quality. The evaluation will also consider whether what you write responds to the question.

You are expected to write one complete essay. Your essay should include an introduction, main text, AND conclusion. Please write as if you are writing for someone who has not read the topic question.

Except for anything related to healthcare, if you had not chosen to go to medical school, what other path would you have taken? Why?

『解答』

If I had not to go to medical school, I would chosen to be an artist. Being artist is very enjoyable and allows to express my feelings.

First, I would paint every day, creating beautiful picture that people enjoy. Art help me relax and find peace. Also, I think art is very important for society because it makes world more colorful.

Second, being artist would let me meet interesting people who like art too. We could sharing ideas and learn from each other. It would be fun to have many artist friends and working on projects together.

Finally, artists can make money by selling their works. Many people buy art for decorate their home or office. I could also teach art to others, helping them to find their own artistic talent.

In conclusion, if I had not went to medical school, being an artist would be a great choice. It is fulfilling and allow me to meet many interesting people. Also, it can be good way to make a living.

▼GPTsの添削②

- ① If I had not to go to medical school, I would chosen to be an artist.
- ② Being artist is very enjoyable and allows to express my feelings.
- ③ First, I would paint every day, creating beautiful picture that people enjoy.
- ④ Art help me relax and find peace.
- ⑤ Also, I think art is very important for society because it makes world more colorful.
- ⑥ Second, being artist would let me meet interesting people who like art too.
- ⑦ We could sharing ideas and learn from each other.
- ⑧ It would be fun to have many artist friends and working on projects together.
- ⑨ Finally, artists can make money by selling their works.
- ⑩ Many people buy art for decorate their home or office.
- ⑪ I could also teach art to others, helping them to find their own artistic talent.
- ⑫ In conclusion, if I had not went to medical school, being an artist would be a great choice.
- ⑬ It is fulfilling and allow me to meet many interesting people.
- ⑭ Also, it can be good way to make a living.

【添削】

① If I had not to go to medical school, I would chosen to be an artist.

×: If I had not to go to medical school, I would chosen to be an artist.

○: If I had not chosen to go to medical school, I would have chosen to be an artist.

理由: 仮定法過去完了の構文で、"had not chosen" と "would have chosen" の形を用います。

② Being artist is very enjoyable and allows to express my feelings.

×: Being artist is very enjoyable and allows to express my feelings.

○: Being an artist is very enjoyable and allows me to express my feelings.

理由:冠詞 "an" が必要です。また、主語 "me" が必要です。

③ First, I would paint every day, creating beautiful picture that people enjoy.

× : creating beautiful picture

○ : creating beautiful pictures

理由:数えられる名詞であり、一般論として述べているため、複数形 "pictures" を使います。

④ Art help me relax and find peace.

× : Art help me

○ : Art helps me

理由:主語 "Art" が三人称単数であるため、動詞に三単現の "s" が必要です。

⑤ Also, I think art is very important for society because it makes world more colorful.

× : it makes world more colorful.

○ : it makes the world more colorful.

理由:特定の "the world" を指しているため、冠詞 "the" が必要です。

⑥ Second, being artist would let me meet interesting people who like art too.

× : being artist

○ : being an artist

理由:冠詞 "an" が必要です。

⑦ We could sharing ideas and learn from each other.

× : We could sharing ideas

○ : We could share ideas

理由:"could" の後は動詞の原形 "share" を用います。

⑧ It would be fun to have many artist friends and working on projects together.

× : and working on projects together

○ : and work on projects together

理由:"to have" に続けて並列するために、動詞の原形 "work" を用います。

⑨ Finally, artists can make money by selling their works.

○

⑩ Many people buy art for decorate their home or office.

× : for decorate their home or office.

○ : to decorate their home or office.

理由:"for" の後には名詞が続きますが、動詞の原形 "decorate" を用いるために "to" を用います。

⑪ I could also teach art to others, helping them to find their own artistic talent.

○

⑫ In conclusion, if I had not went to medical school, being an artist would be a great choice.

× : if I had not went to medical school

○ : if I had not gone to medical school

理由: 仮定法過去完了の構文で、"had not gone" を用います。

⑬ It is fulfilling and allow me to meet many interesting people.

× : allow me to

○ : allows me to

理由: 主語 "It" が三人称単数であるため、動詞に三単現の "s" が必要です。

⑭ Also, it can be good way to make a living.

× : it can be good way

○ : it can be a good way

理由: 冠詞 "a" が必要です。

【アドバイス】

全体的によく書けていますが、いくつかの文法的な間違いや冠詞の欠如があります。文法的な間違いを修正し、より自然な表現を使うことで、文章の質をさらに向上させることができます。CEFRのレベルではA2からB1の間にあると考えられます。A2レベルの根拠は、基本的な文法構造を理解している点ですが、B1レベルに近づけるためには、文法的な正確さを向上させる必要があります。

【リライト例】

If I had not chosen to go to medical school, I would have chosen to be an artist.

Being an artist is very enjoyable and allows me to express my feelings.

First, I would paint every day, creating beautiful pictures that people enjoy. Art helps me relax and find peace. Also, I think art is very important for society because it makes the world more colorful.

Second, being an artist would let me meet interesting people who like art too. We could share ideas and learn from each other. It would be fun to have many artist friends and work on projects together.

下記の問題文と解答を読み込み、添削してください。

『問題文』

自由英作文問題

下記テーマについて、英語で自分の考えを述べなさい。書体は活字体でも筆記体でもよいが、解答は所定の範囲内に収めなさい。The writing will be evaluated from the viewpoint of both quantity and quality. The evaluation will also consider whether what you write responds to the question. You are expected to write one complete essay. Your essay should include an introduction, main text, AND conclusion. Please write as if you are writing for someone who has not read the topic question. Except for anything related to healthcare, if you had not chosen to go to medical school, what other path would you have taken? Why?

『解答』

If I was not choose medical school, I would have taken a different path in education. Since young age, I have always had a passion for teaching and sharing knowledge with others. Teaching is not just a job for me, but a calling. I believe that educators play a critical role in shaping the future by molding the minds of young generation. Firstly, the reason I would choose to be a teacher because I find joy in helping others to understand new concepts and see them grow. Watching a student grasp a difficult topic and feeling the pride in their accomplishment is a reward in itself. Additionally, teachers have the opportunity to make a lasting impact on their students, sometimes even changing the course of their lives for the better. Furthermore, education is a field where there is always room for improvement and innovation. I am very excited by the prospect of developing new teaching methods and finding ways to make learning more engaging and effective. This creativity and continuous improvement are aspects that I find very attractive in the teaching profession. In conclusion, if I had not chosen to go to medical school, I would have pursued a career in teaching. The joy of educating and making a difference in students' lives would have been my primary motivation. Education not only empowers individuals, but also has the power to transform societies, and being a part of that process is incredibly fulfilling.

▼GPTsの添削③

① If I was not choose medical school, I would have taken a different path in education.

- ② Since young age, I have always had a passion for teaching and sharing knowledge with others.
- ③ Teaching is not just a job for me, but a calling.
- ④ I believe that educators play a critical role in shaping the future by molding the minds of young generation.
- ⑤ Firstly, the reason I would choose to be a teacher because I find joy in helping others to understand new concepts and see them grow.
- ⑥ Watching a student grasp a difficult topic and feeling the pride in their accomplishment is a reward in itself.
- ⑦ Additionally, teachers have the opportunity to make a lasting impact on their students, sometimes even changing the course of their lives for the better.
- ⑧ Furthermore, education is a field where there is always room for improvement and innovation.
- ⑨ I am very excited by the prospect of developing new teaching methods and finding ways to make learning more engaging and effective.
- ⑩ This creativity and continuous improvement are aspects that I find very attractive in the teaching profession.
- ⑪ In conclusion, if I had not chosen to go to medical school, I would have pursued a career in teaching.
- ⑫ The joy of educating and making a difference in students' lives would have been my primary motivation.
- ⑬ Education not only empowers individuals, but also has the power to transform societies, and being a part of that process is incredibly fulfilling.

【添削】

① If I was not choose medical school, I would have taken a different path in education.

× : If I was not choose ○ : If I had not chosen

理由 : 仮定法過去完了を使う必要があります。仮定法過去完了は過去に対する仮定を表し、「もし〜だったならば」という意味です。

② Since young age, I have always had a passion for teaching and sharing knowledge with others.

× : Since young age ○ : Since a young age

理由 : 「young age」には冠詞が必要です。「a young age」は「若い頃から」という意味です。

④ I believe that educators play a critical role in shaping the future by molding the minds of young generation.

× : the minds of young generation ○ : the minds of the young generation

理由 : 「generation」は特定の世代を指すので、定冠詞「the」が必要です。

⑤ Firstly, the reason I would choose to be a teacher because I find joy in helping others to understand new concepts and see them grow.

×: the reason I would choose to be a teacher because ○: the reason I would choose to be a teacher is because

理由:「理由は...だからです」という文を完結させるために「is」が必要です。

⑦ Additionally, teachers have the opportunity to make a lasting impact on their students, sometimes even changing the course of their lives for the better.

△: for the better ○: for the better

理由:「for the better」は「より良い方向へ」という意味で正しいが、「for the betterment of their lives」などとするとより具体的で自然です。

⑨ I am very excited by the prospect of developing new teaching methods and finding ways to make learning more engaging and effective.

△: very excited by ○: very excited about

理由:「excited by」も正しいが、「excited about」の方が一般的に使われます。

⑬ Education not only empowers individuals, but also has the power to transform societies, and being a part of that process is incredibly fulfilling.

×: Education not only empowers individuals, but also has the power to transform societies, and being ○: Education not only empowers individuals but also has the

power to transform societies. Being

理由:「not only...but also」は一つの文として扱うため、「and」は不要です。文章を分けて「Being」で始めるとより明確です。

【アドバイス】

全体的によく書けています。特に、教育の重要性について説得力のある主張ができており、具体的な理由を挙げている点が良いです。いくつかの文法的な間違いと自然な表現への修正を行いました。

CEFRのレベル分析として、この作文はB1レベルに相当します。理由は、仮定法や関係代名詞などの複雑な文法構造を正しく使っていること、また具体的な理由を述べる論理的な構成ができていることです。

B2レベルに向けてのアドバイスとして、文構造のバリエーションを増やし、より自然で流暢な表現を使うことを意識しましょう。以下に、B2レベルのリライト例を示します。

【B2レベルのリライト例】

If I had not chosen medical school, I would have pursued a different path in education. From a young age, I have always been passionate about teaching and sharing knowledge with others. Teaching is more than just a job for me; it's a calling. Educators play a crucial role in shaping the future by molding the minds of the younger generation.

I would choose to be a teacher because I find immense joy in helping others understand new concepts and watching them grow. Seeing a student grasp a difficult

topic and feeling the pride in their achievement is a reward in itself. Moreover, teachers have the opportunity to make a lasting impact on their students, sometimes even changing their lives for the better.

Education is a field with endless opportunities for improvement and innovation. I am thrilled by the prospect of developing new teaching methods and finding ways to make learning more engaging and effective. The creativity and continuous improvement involved in teaching are aspects that greatly attract me to the profession.

In conclusion, if I had not pursued a medical career, I would have chosen teaching. The joy of educating and making a difference in students' lives would have been my primary motivation. Education empowers individuals and has the potential to transform societies, and being part of that process is incredibly fulfilling.
