Hello! I am Mrs. Koehler and this will be my third year teaching at KHS. This year, I will be teaching Biology and Chemistry I and I am excited to share my passion for science with my students!

I graduated from UW-Whitewater with a bachelor's degree in Biology with an emphasis in cell/physiology and a minor in chemistry. I am currently working towards my masters in biology from Eastern Illinois University. My husband, Cory, and I currently live in Neenah. We enjoy spending time outdoors and playing/watching soccer together.
