

What Do You Do With That?

(When the team enters the room, tell them that this will be a verbal problem)

- 1) You will have 1 minute to think and 4 minutes to respond.
- 2) Each of you has 7 cards. After each response, you will place a card in the container. You will respond in sequence. You may give responses until you no longer have any cards or until time ends, whichever occurs first.
- 3) Questions count against your thinking time.
- 4) Common answers will receive 1 point. Creative answers will receive 5 points.
- 5) On the table in front of you are images of ancient artifacts. Your problem is to say what one of images might have been used for. For example, you might look at image one and say, "That was used as a shoe horn." Please point to the image you are responding to when you give your response.

For Judges Only

- 1) Provide 35 cards. If you have colored cards or cards that are somehow marked, that works the best.
- 2) Look for unusual responses and always reward humor
