EXPÕE O TEU TRABALHO DURANTE O EVENTO DA **TUGANETWORK**!!

PRECISAMOS DE TI! 😀

COMO É QUE ISTO FUNCIONA:

1 - O TEU TRABALHO É IMPRESSO NUMA FOLHA A3 (custo de impressão 2€).
A ideia é que todos sigam mais ou menos o mesmo estilo dos exemplos abaixo:

2 - CRIA UM SEPARADOR NOVO E SEGUE A ESTRUTURA JÁ FEITA
3 - CRIA UM CONJUNTO DE IMAGENS QUE RESUMAM O TEU TRABALHO
4 - SE TIVERES VÍDEOS, ou MODELOS em 3D, ou MAIS IMAGENS QUE JÁ NÃO CABEM na folha, utiliza a REALIDADE AUMENTADA para expandires o teu espaço de apresentação - VER INSTRUÇÕES

Queres ver como funciona a Realidade Aumentada?
Instala no teu telemóvel a *app* ARTIVIVE

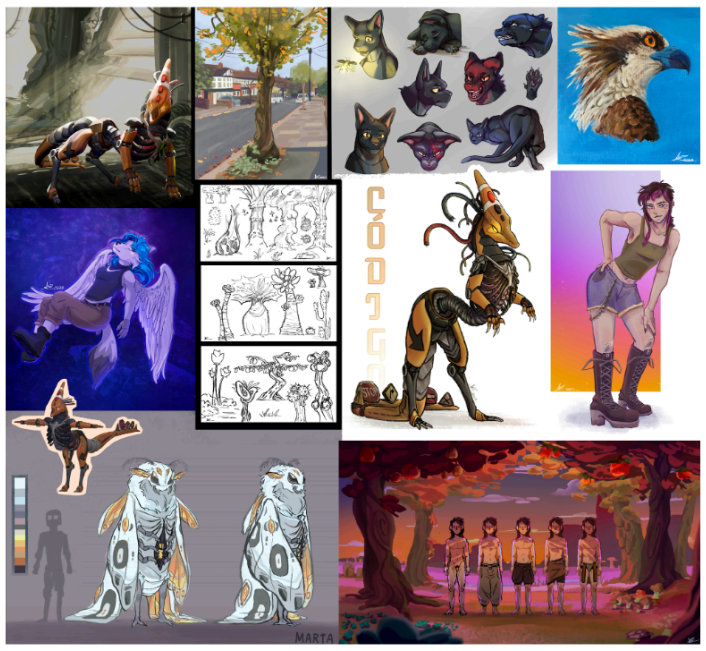

ANDROID
https://play.google.com/store/apps/details?id=com.artivive
IOS
https://apps.apple.com/us/app/artivive/id1188737494
E, com a app aberta em modo câmara, aponta para uma destas imagens e vê o que acontece!

APRESENTAÇÃO DE ARTISTAS

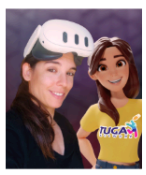

Nome: Marta Neves Ribeiro
Profissão|Especialidade: Animadora 2D/3D, Storyboard, Concept Art

Instruções sobre como integrar Realidade Aumentada no teu poster:

Instruções em Vídeo: https://youtu.be/LYCYJTrdTI

Instruções em texto:

1. DUPLICAR a página do Layout e mudar o nome para o vosso.

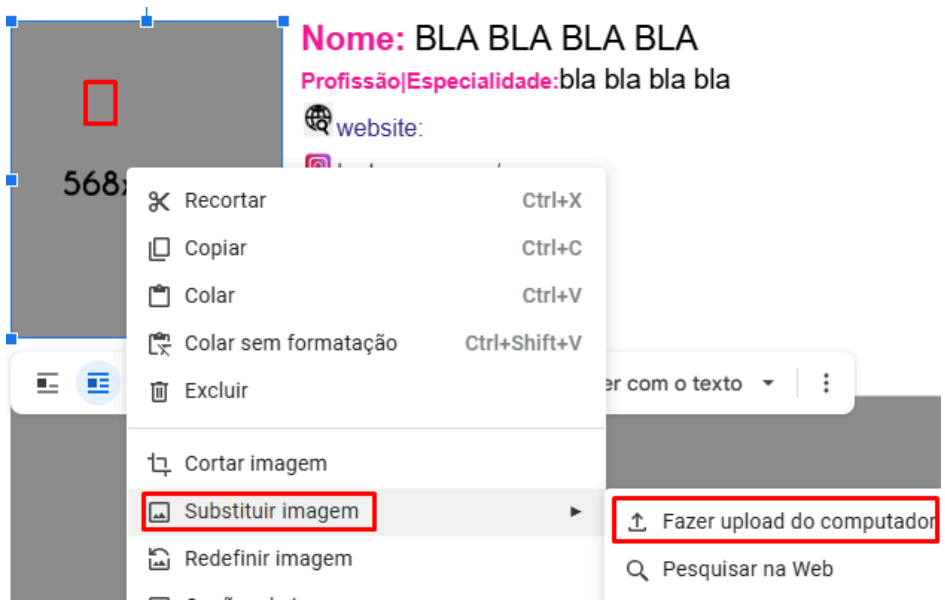

2. Criar 3 imagens com o tamanho indicado e substituir as imagens do layout pelas vossas:

2.1. \px para a fotografia de rosto;

2.2. formato quadrado para o QR que devem criar no site ME-QR

2.3. 3035x2781px para a colagem do trabalho;

3 - Associar a vossa imagem grande a um vídeo ou um objeto 3D através da app ARTIVIVE https://bridge.artivive.com/

—----------

Efetuar um pagamento de 2€ (para cobrir os custos da impressão a cores em A3) através do MBWay 926825794 com o vosso nome na descrição.

Só serão impressos os trabalhos que tiverem o pagamento efetuado até dia 25 de novembro de 2026.

FIM

Estamos ansiosos por ver os vossos trabalhos!!! :D
