

# SPRING MUSICAL

By: Addison Ziegler

This year's spring musical is Shrek The Musical! In the past, audiences have witnessed amazing performances from our fellow Lancers. This year will be no different

with all hands on deck from directors, crew, and cast. These musicals take a lot of dedication and the work has just begun!

The musical, an interpretation of the movie we all know and love Shrek, adds fun choreography and music. Jillian Ritter, casted as Fiona, explains, “The story is beautiful, colorful, whimsical, and hilarious - fit for all ages.” A few other faces that will be seen staring in the musical are Noah Peters as Shrek and Spencer Hughes as Donkey. These are only a few of the cast members and the musical won’t be possible without the many other students set to take the stage! Along with the cast, countless teachers and students will take action behind the scenes to provide a smooth and magical experience.

The rest of the student body can play their part by showing up to support our fellow Lancers as they dance, sing, and act their hearts out. As Lancers we should be appreciative of the opportunities we have to express ourselves and follow our passions. The spring musical is just one example of the many things Bellville East has to offer. Overall, as the musical comes together, we hope there will be much excitement and support for this great experience!
