That´s interesting

1
If you lose your wallet or _____, you´ll be more likely to get it if it contains a photograph of a baby. Babies make people more caring.

2
If you win a small amount of _____, buying something for somebody else will make you happier. Doing things for other people is very good for yourself as well.

3
You will find it easier to _____ a problem if you think about it while you are lying down. When you lie down, your body produces less of adrenaline (the stress hormone).

4
You will be more successful on a first date if you talk about things or _____ that you both dislike. People will become closer if they agree on people and things they don´t like.

5
If you decide to do something difficult, you will be more successful if you tell a lot of people _____ it. You won´t like explain to people why you haven´t done it, so you will probably do it at the end.

6
When you´ve got a big job _____ do, you´ll be more likely to finish it if you just start it. Working on something for just a few minutes will create stress and you will only get rid of the stress if you finish the job.
