

Instructions for Entering the New York Wire Works Building After Hours

1. As you approach the main doors, you will see a keypad to the right of the door.

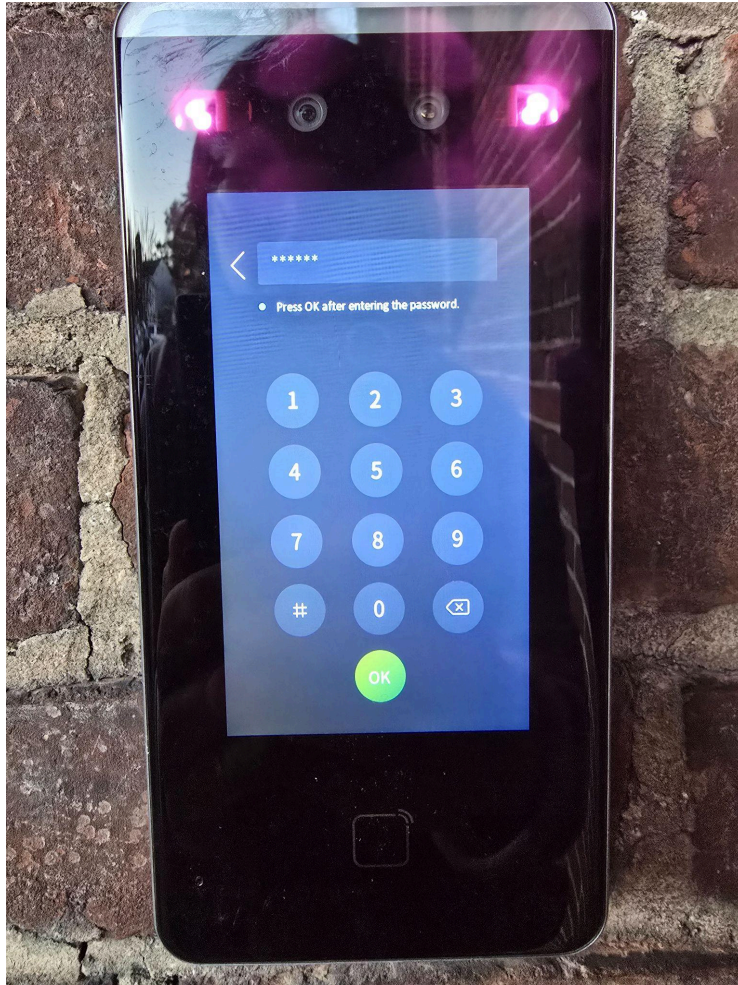

2. Press the button in the lower right-hand corner of the keypad.

(Continued on the next page.)

3. Input code **082965** and press OK. The doors will unlock.

If you have any problems at all, call Rachel at 717-714-3517 for assistance.
