

# Week 2 Overview

Welcome to Week 2 of the Practicum! The focus this week is chapter 2 of our text- Understanding Your role as an Intern. Remember that we meet once/ week. You are expected to cover the rest of the content not covered in class online and at your practicum site. We will also take a look at your learning plans which you submitted last week.

At the end of this module, you will be able to:

1. Describe your role as interns
2. Recognize the complexities of being in an internship
3. Recall trauma informed principles
4. Demonstrate a developing equity lens.
5. Demonstrate a developing reflective practice.
6. Communicate basic expectations of working in the field
7. Recognize the importance of understanding and complying with agency policies and procedures
8. Identify the national standards related to fieldwork education.
9. Brainstorm methods to integrate into the field placement team

Once again, you will have a mixture of graded assessments and learning activities, along with targeted readings and videos. Be sure to read and watch:
