VOUCHERS FAQ

You can use the vouchers for any **course, training, or packs of individual sessions** provided by Peter Littlejohn Cook *online* or at *Hearth* (in Colares, Sintra), within the timeframe indicated on each voucher.

(For enrollment in any course, workshop, or event organized by third parties, or that take place in other locations, you will need to confirm the applicability of the vouchers.)

How to Use the Vouchers

When you register, please send a copy of your vouchers to confirm the deduction of the voucher amount.

If you received the vouchers from a friend and not directly from Peter Littlejohn Cook, please specify who gave you the vouchers.

Only one voucher can be used per registration.

If you do not specify which voucher you want to use, the voucher with the highest value (among those that are still valid) will be used.

(Each voucher has a validity period—between 1 to 3 months.)
