

Report on Assistance to Ukrainian Families with Teenagers with Disabilities.

Funds were provided from the Colorado Freedom Bags project.

The report includes feedback and photos from each family that received direct financial assistance. Each family received \$75 (3050 UAH) to purchase essential items. Every family has a teenager with an official medical diagnosis and state recognized disability — such as cerebral palsy, musculoskeletal disorders, or mental disabilities.

All the families are immensely grateful to the donors and the project team for their help and hard work. For these people, your care means so much and gives them the strength to persevere. Each family has its own difficult story. Three families are from Kharkiv, two from Marganets—cities that suffer daily from constant shelling. Two families are from Kryvyi Rih, and two from the Dnipropetrovsk region (the front line has approached within 50 km, and there is a threat of evacuation). One family is from the Chernihiv region (they were nearly under occupation).

By combining direct assistance with support through the fund, we maximized the impact—helping 50 families in urgent need (10 families from the eastern regions and 40 from Odesa and its region) using the funds raised during the **Zwei Brewery - Colorado Freedom Bag event**, as well as additional assistance from the **Ukrainians of Colorado** charity organization.

We sincerely thank every person who contributed their money, time, and love to this effort!

A Thank-You Report from Mother Lena and Daughter Victoria ❤️! We sincerely thank our dear helpers for their assistance and support during this challenging time ❤️ Your help is incredible, and we are deeply grateful for the funds to buy groceries for our family ❤️ We wish you all the best! 🙏

Anna Yaloza, 13 years old (Kryvyi Rih)

I did my shopping mostly with receipts, but I bought oil, cucumbers, and tomatoes at the market without them. I was able to purchase enough supplies for several months.

I am extremely grateful for the significant help! With the current price increases and weather anomalies, even buying vegetables has become expensive this summer. I am thankful to everyone involved in providing this assistance! 🥰🙏

Your support means a lot to us, and it is very significant. Thank you for your care, help, and time in this project 🥰❤️
